

Greater Lorain USBC Bowling Association.

The Greater Lorain USBC Bowling Association would like to announce the following cancelation, postponements and news from our association.

First, we like to extend our prayers and best wishes to our bowling family for a safe and healthy next few months. Due to the Covid-19 Virus we; the board have decided to cancel this seasons Youth Scholarship tournament that was to be held on April 19th.

We have also decided to postpone the Hall Of fame Banquet scheduled for May 1st. We are currently reviewing potential new dates for the HOF banquet and anticipate postponing it until early fall, as a kickoff event to the beginning of next season. With the rescheduling of the HOF; this will also include postponing the Mystery game payout and tournament winners' award celebrations for both for youth and adult bowlers.

This seasons Delegates Annual meeting will also be postponed with an announced date to be coordinated in conjunction with state quarantine and social distancing measures. We are currently looking to fill multiple spots on the board for the upcoming season. Positions open for this coming season include 1st vice president, 13 openings for director and 4 openings for youth director. If you are interested in applying for the GLUSBC Board please visit www.lorainbowling.net , Click on the Association tab at the top, select- Board member application. Please print and fill this form out completely and e-mail to us at Lorainbowling@gmail.com or mail to:
